What is Seneca Learning?

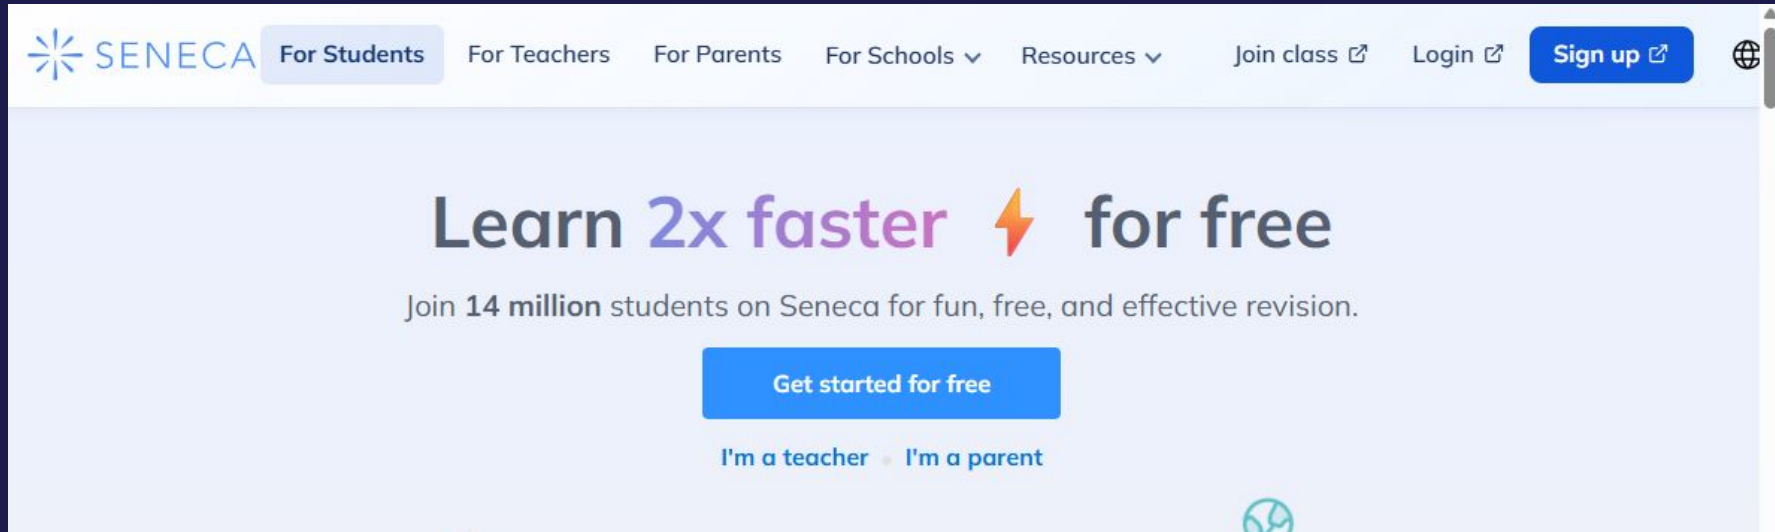

Seneca is an online revision and homework platform for KS2 to A-Level. It offers interactive courses with GIFs, quizzes, and exercises, all tailored to specific exam boards like AQA and OCR. The AI adapts to each student's progress and uses spaced repetition to boost memory, while students earn XP and rewards to stay motivated.

We have Seneca Premium – giving students access to:

- 800+ premium courses
- AI-graded exam questions
- Intelligent revision algorithms
- Independent learning modes

How to Access Seneca

To log in to Seneca, go to app.senecalearning.com on your browser or open the Seneca app. Students should use the Single Sign-On (SSO) option, allowing students to log in directly with their Google or Microsoft school account. Once logged in, students can access all their courses and assignments.

The screenshot shows the Seneca Learning website interface. At the top, there is a navigation bar with the Seneca logo (a stylized star) and the word "SENECA". To the right of the logo are several menu items: "For Students" (highlighted with a blue background), "For Teachers", "For Parents", "For Schools" (with a dropdown arrow), "Resources" (with a dropdown arrow), "Join class" (with an external link icon), "Login" (with an external link icon), and a blue "Sign up" button (with an external link icon). A globe icon is visible on the far right. Below the navigation bar, the main content area has a light blue background. It features the text "Learn 2x faster" in a large, bold, purple font, followed by a yellow lightning bolt icon and the text "for free" in a large, bold, dark blue font. Below this, a smaller line of text says "Join 14 million students on Seneca for fun, free, and effective revision." In the center, there is a blue button with the text "Get started for free". At the bottom, there are two links: "I'm a teacher" and "I'm a parent", separated by a small dot. A small globe icon is visible at the bottom right corner of the page.

Setting Up a Parent Account

Why create a parent account?

- Track your child's learning progress
- View assignments and study time
- See quiz scores and reports
- Learn alongside your child

How to set up:

- Go to www.senecalearning.com
- Select "I'm a parent"
- Sign up with personal email

The image shows a screenshot of the Seneca Learning sign-up page. At the top, it says "Sign up" with a link "Try without signing up?". Below this is an illustration of a teacher and a student in a classroom. The sign-up options are: "Continue with Google", "Continue with Microsoft", and "Sign up with email". At the bottom, there is a link "Log in" for users who already have an account.

Connecting Parent & Child Accounts

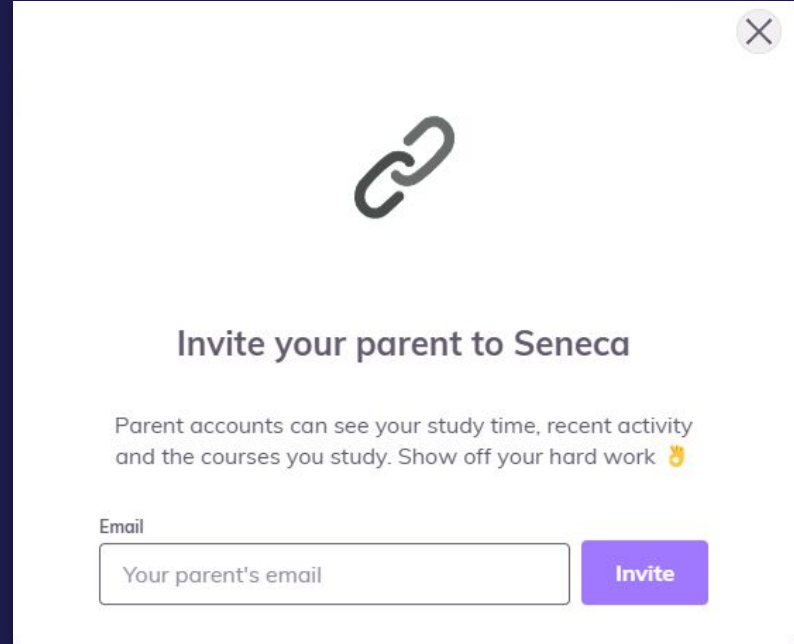

Step-by-step process:

1. Click "Connect Your Child's Account" – generates a unique link
2. Share the link – send via email, WhatsApp, or text
3. Child opens the link – they must be logged into their Seneca account
4. Confirmation email – you'll receive confirmation of the connection

Connecting Parent & Child Accounts

Alternative method: Your child can add your parent account directly from their account settings.

A screenshot of a web interface for inviting a parent to a Seneca account. The interface is white with a grey close button (X) in the top right corner. At the top center is a large chain link icon. Below it, the heading "Invite your parent to Seneca" is displayed in a bold, dark grey font. Underneath the heading is a paragraph of text: "Parent accounts can see your study time, recent activity and the courses you study. Show off your hard work 🏆". Below this text is a label "Email" followed by a text input field containing the placeholder text "Your parent's email". To the right of the input field is a purple button with the word "Invite" in white text.

Invite your parent to Seneca

Parent accounts can see your study time, recent activity and the courses you study. Show off your hard work 🏆

Parent Platform - Home Page

When you log in, you'll see a dashboard showing:

- Study data – completed assignments, study time, quiz scores
- Live feed – real-time updates on study sessions
- XP earned and performance in exam-style questions
- Switch between children if multiple are linked to your account

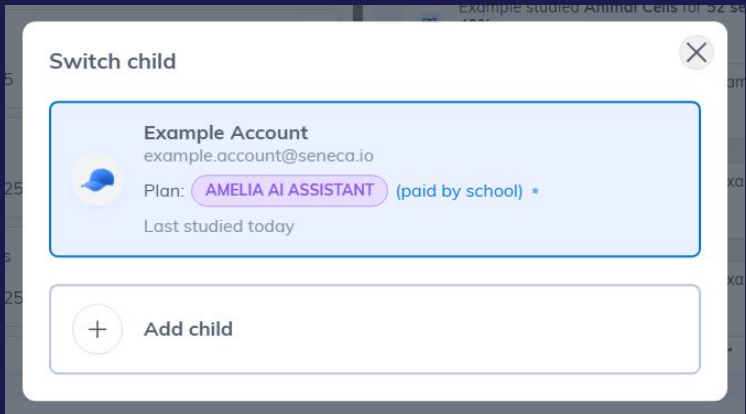

This gives you a quick snapshot of your child's engagement and progress.

Parent Platform - Home Page

If you have multiple children linked to your account, you can switch between them by selecting their name.

Parent Platform - Reports Tab

Detailed breakdown of your child's progress:

- **Weekly study reports** – time spent by day and subject
- **Comparisons** to previous weeks
- **Assignment scores and due dates**
- **Average scores for each topic** – see strengths and areas for improvement

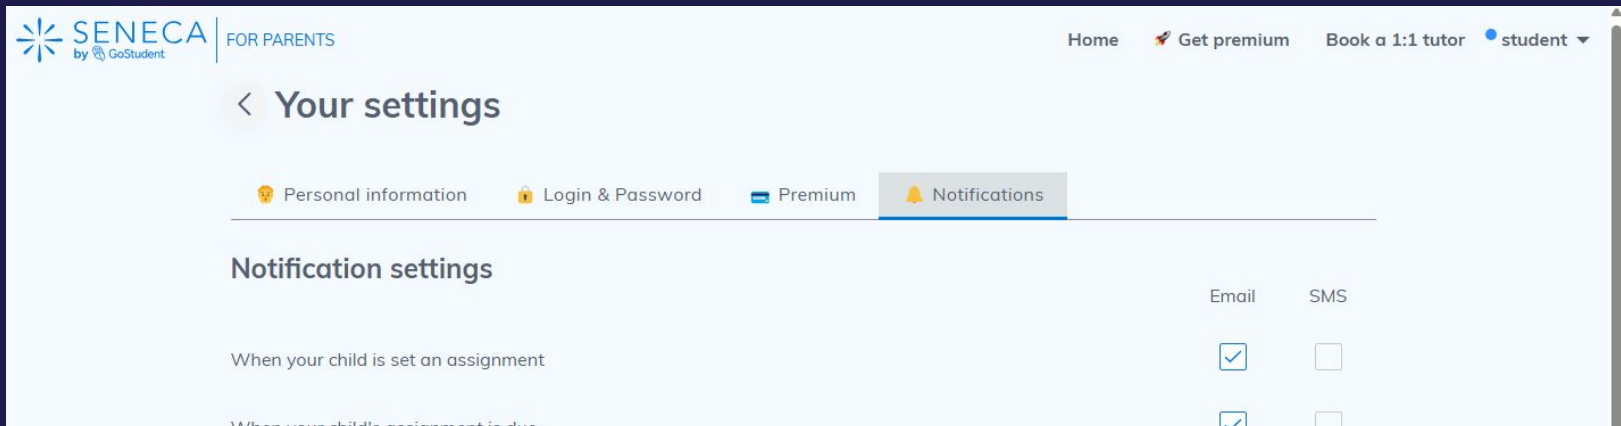

Use reports to have informed conversations about their learning!

Parent Platform - Settings

Manage your account preferences:

- **Update Account Details** – email, password, linked students
- **Notification Preferences** – customize email alerts and study updates
- **Manage Linked Accounts** – add or remove child connections
- **Privacy & Security** – ensure a secure experience

The screenshot shows the 'Your settings' page in the SENECA by GoStudent Parent Platform. The page has a white background with a blue header. The header includes the SENECA logo (a stylized star) and the text 'by GoStudent' on the left, and navigation links 'Home', 'Get premium', 'Book a 1:1 tutor', and a user profile 'student' with a dropdown arrow on the right. Below the header, the page title is '< Your settings'. There are four tabs: 'Personal information', 'Login & Password', 'Premium', and 'Notifications' (which is selected and highlighted with a blue underline). Under the 'Notifications' tab, the section is titled 'Notification settings'. There are two columns of checkboxes: 'Email' and 'SMS'. The first row is 'When your child is set an assignment', with the 'Email' checkbox checked and the 'SMS' checkbox unchecked. The second row is 'When your child's assignment is due', with both 'Email' and 'SMS' checkboxes checked.

Student Platform - Assignments

To find and complete an assignment:

1. Click the "Assignments" tab.
2. Deadlines are shown in red if overdue.
3. Complete work by answering questions and reading summaries.
4. Seneca tracks progress, so students can't skip ahead.
5. Scores are auto-graded and sync to the teacher's dashboard.

Assignments can include exam-style questions to assess understanding.

The screenshot shows the 'Your assignments' page in the Student Platform. The interface is dark-themed with a purple sidebar on the left containing navigation icons for Home, Assignments, Planner, Upgrade, Biology, Chemistry, Computer Science, Physics, Religious Studies, Science, and a profile icon. The main content area has tabs for 'To do', 'Done', and 'Missed'. The 'Done' tab is selected, showing a list of completed assignments. Each assignment card displays the assignment title, status (Complete), score, and time spent. A 'Retry' button is visible for each assignment.

Assignment	Status	Score	Time spent
P7 HL 4	Complete	100%	5m 42s
P7 HL 3	Complete	86%	7m 1s
P7 HL 2	Complete	94%	12m 17s
Revise Islamic Beliefs	Complete	95%	33m 22s
P5a Prelearning	Complete		

Student Platform - Tracking Progress

Live Feed:

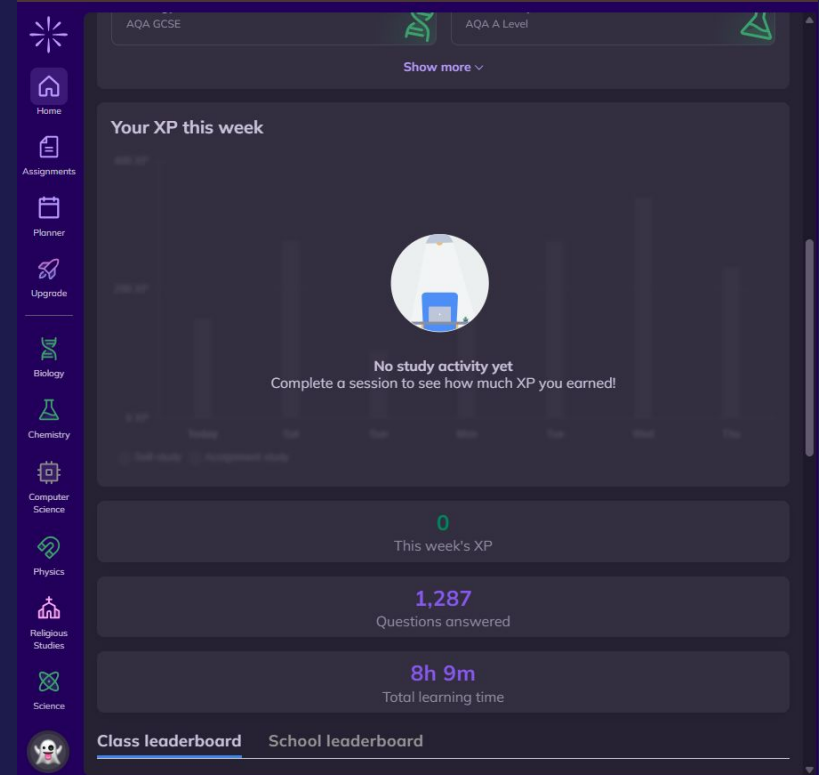

- Instant feedback after each session
- e.g. "Scored 80% in Chemistry"

XP & Badges:

- Earn points for completing work
- Compete with classmates (if enabled)

Weekly Reports:

- Sent to your email (and parents')
- Shows time spent, scores, and improvements

Pro Tips

For Students

- Short sessions (15-20 mins/day)
- Mix subjects and keeps your brain engaged
- Use Wrong Answer Mode and turn weaknesses into strengths
- Ask teachers for help. They can see your data and support you
- Use Smart Learning! the AI does the planning for you

For Parents

- Encourage consistency
- Review assignments – use the "To Do" list to remind about deadlines
- Use weekly reports – praise improvements and progress
- No assignments showing? – confirm teachers have set tasks
- Reach out to school – if progress stalls or assignments are unclear

FAQs

"Is my child's data safe?"

- Seneca follows strict privacy policies – student data is secure.

"What is Seneca Premium?"

- Paid version with additional resources, exam-style questions, and personalized learning features.

"Why can't I see assignments?"

- Check your child is connected to the class and teachers have set tasks.

"Login issues?"

- Use school email or SSO (Google/Microsoft). Default password: seneca2020.
