Our aim is to offer our students a quality of experience that will enrich their lives and encourage every student to take advantage of the wider life of the school and to participate in at least one club. A wide range of subject and interest-based extra-curricular activities are available to all students in Years 7-13. These give our students the opportunity to play a full and active role in the wider life of the school.

For more information on extracurricular clubs, please contact:

Ms Martina Veale -vealem@cotham.bristol.sch.uk
