

Work Experience at Travelling Light

Travelling Light Theatre Company has been creating exciting and ground-breaking theatre for and with children & young people since 1984. Our mission is to inspire their imaginations, fire their emotions and make them think!

What do we offer?

We are able to offer 6 students (aged 14-18) the opportunity to join us for one full week's work experience. We are unable to accept placements outside of this week.

The dates for 2019 are: **1st - 5th July**

What will it involve?

- Working in the office of Travelling Light Theatre Company where we produce touring theatre and a range of participation projects in and out of school time
- Learning about the different roles and responsibilities within a theatre company
- Independent research project and skill sharing
- Completing the Bronze Arts Award

Placements involve experiences across the company's professional productions, participatory projects and administrative work and this may include some evening work.

How do I apply?

You will need to return a completed application form or application video to us before the deadline. If successful, we will invite you to an interview to discuss your needs and interests. From there, a decision will be made about whether we can offer you a placement.

Deadlines

Applications must be received by **31st January 2019**

Interviews will be held in **February 2019**, exact dates **TBC**
