1 June 2020

Dear Year 6 and Parents and Carers

I hope that you are all well and managing during these unprecedented times.

As you know, during the next few weeks we would usually be doing lots of different activities to get you ready to come up to Cotham School, but with the lockdown we are having to be creative about what we can do instead.

Normally, we would be visiting you in your primary schools to meet you and your teachers and to answer all your questions, instead I am working on a video that will answer lots of frequently asked questions and hopefully give you a short virtual tour of the school.

Mr Knight will be your Learning Co-ordinator when you come up to Cotham and he has been very busy creating an interactive transition booklet for you to start working on which is attached to the email you have received.. This will help us get to know you even better and it will be a chance for you to start thinking about what you are excited about. This first part of the booklet is for you to do now at home before coming to meet us and it will be great if you could bring it along with you when you come to the school. The second part of the booklet will be for you to complete when you are with us and so we will be giving these to you in school.

We were very much looking forward to inviting you into Cotham for transition days, however it is not very likely that this is going to be possible. We are however working very hard on our September induction programme that will give you lots of time and space to settle into Cotham. We will also continue to send out information on the portal over the coming weeks.

I look forward to getting to know more about you and seeing you at Cotham very soon.

Yours sincerely

Abi Tidball
Assistant Headteacher (Cotham School)
