19 October 2020

## **Cotham School Playing Fields, Stoke Lodge.**

### **Pavilion Refurbishment**

Works will begin in the week commencing 19 October 2020 on the pavilion building refurbishment. The works are expected to take until mid-February 2021, weather permitting.

Access to the construction site will be via Parry's Lane, there will be an access road and construction site clearly separated from the rest of the school playing fields.

Access to the playing fields by the school, sports clubs and, when not in use for sport, by the local community will be via the three gates at Parry's Lane, adjacent to the playground, and Cheyne Road. For safety reasons, the gate and access to the fields via West Dene will be closed for the period of construction.

We are pleased to have appointed KP Wilton a Bristol Company to undertake these works. This is a highly experienced local company, who will be working with Bristol companies and suppliers to undertake this work for Cotham School.

We are delighted to be commencing this long overdue project and we look forward to having a refurbished pavilion available for sports use in the spring of 2021.

If there are any queries concerning this work please address them in the first instance.

### **Winter Opening**

Cotham School Playing fields are open to local users when not in use by the school or other sports clubs. In line with British Summer Time, the clocks go back this year on Sunday 25 October 2020, accordingly the automatic gates to the school playing fields will be closed at 5.00pm every day from Sunday 25 October 2020 through to the spring of 2021.

Please do not prop the gates open.

Please be advised should you find yourself in the fields after the gates have been locked, that there is exit button by the gate alongside the mower shed.

After daylight the gates are closed for health and safety reasons.
