Dear Parent/Carers

Re: Studybugs

We are delighted to announce the launch of a new, more efficient and secure system for reporting your child's absence, called **Studybugs**.

Studybugs will replace our current procedures for reporting your child's absence, which will be switched off on **Monday 26 May 2025**. From **Monday 2 June 2025** all reporting of absences must be via Studybugs.

So that all parents/ carers can start using the Studybugs portal to tell us whenever your child's ill and unable to attend school, we need all parents to download the free Studybugs app, or register on the Studybugs website.

Get the app or register now <https://studybugs.com/about/parents>

Top 3 reasons to use Studybugs

1. It's integrated with our systems so we know right away if your child is unaccounted for.
2. It's quick and easy to register and use and automatically reminds you to keep us posted.
3. You'll be helping the NHS and other public health organisations [improve children's health](#).

If you have any queries please see more information on our website and in our weekly mailing or contact the school on info@cotham.bristol.sch.uk

Thank you for your continued support.

Kind regards
