THANK YOU Sigma House, Cotham School

We're really grateful for your fantastic efforts in raising an impressive £ 107.23, at your non-uniform day, thank you.

Your hard work and inspiration will help us to do what we do best; tackle climate change, safeguard the world's most vulnerable species and habitats and change the way we live.

Just two of our most recent successes are

- The UK Government Department for Energy and Climate Change has announced that it will cut emissions by 40% by 2030
- Tiger numbers in Nepal have increased by over 60% since 2009 to around 200

The money Cotham School donates will help us build on our success so we can continue to work hard to address threats facing wildlife, habitats and people all over the world. There's many other ways you can help too, if you're not already aware of our Green Ambassadors programme please look on our website, it's a fantastic way for your school and pupils to get more involved.

Enclosed is a certificate of thanks for all your hard work; we achieve very little without the support and passion of our schools and their pupils. On behalf of everyone at WWF thank you.

Kerry Blackstock
Head of Fundraising

For a future where people and nature thrive.
